

"The Leader of OZ is a fun and profound read! Like the bystanders in the Emperor's New Clothes, the authors have touched with a light hand the naked truth about the abuse and waste of human resources taking place in organizations today."

**-Bill Daniels, CEO,
American Consulting and Training, Inc.**

"Simply marvelous! When is the last time you had a good leader or were one? This is a pretty good primer on what it takes."

**-Andy Kocson, Director of Human Resources,
SC Design, Inc.**

"This book comprehensively and beautifully describes people-centered leadership. Hope present and future managers read this book and get the courage to practice leadership that includes genuine caring and concern for others."

**- Marilyn L. Perry, Ph.D., Founder,
Sacramento Psychological Services**
